

The World's Finest Beach Blanket Since 1986

1. Weighted Corners:

Patented anchoring system features removable brass coins in hidden corner pockets. Additional weights (optional) can be added for extra windy conditions.

2. Terry Cloth Top:

The top layer is 100% luxurious cotton terry cloth to keep you cool and comfortable by wicking away moisture and perspiration from your body.

3. Inflatable Pillow:

Additional hidden pocket with room to spare, houses a durable, inflatable pillow for your comfort.

4. Interior Pocket:

For safe and convenient storage of accessories.

5. The Bag:

The blanket folds into itself to magically transform into a great bag.

6. Strap:

The patent-pending Flexi-Strap™ Anti Fatigue Suspension system makes carrying light and easy.

7. Zipper Pocket:

Large pocket with interior key hook accommodates valuables for easy access.

8. Wet Dry Pocket:

Additional wet/dry storage.

Rolle blankets are available customized with your designs and logos.
