

1. CARRY by the grab handle, over your shoulder or across your chest. Adjust the snugness.

2. OPEN the locking drawstring and pull the blanket from the bag.

3. INVERT the bag completely. Tuck the strap into the interior pocket at the foot end of the blanket. Secure with the Velcro tab.

4. STRETCH out the blanket and enjoy! Don't forget your sun protection.

5. PACK UP the bag by detaching the Velcro. Reach into the foot end pocket with one hand, grab a handful of the terry top and pull toward you.

7. CLOSE by pulling the drawstring tight. Now you're off!

6. FINISH conversion. Hold the outer edge of the pocket with your other hand. Pull the contents of the blanket back inside the bag.
